To Whom it May Concern

I would highly recommend Kelly and Shane Bennett as childminders. They have looked after my daughters who have enjoyed their time with them. They have both enjoyed trips out to local soft plays, toddlers groups, parks and garden centres to see the reindeer at Christmas as well as mixing with other children and their own children.

My daughters have always been happy when I dropped them off and picked them up and they have developed their social skills and learnt a lot during their time with Kelly and Shane.

I have always found Kelly extremely professionally, reliable, flexible and will feedback to me any concerns.

We are all going to miss Kelly & Shane

Yours sincerely
